Master's message:

Brothers, I hope this message finds you and you find this message As spring come into our lives ones again I am renewed, in this I need the help of the Craft . The spirit of the Lodge flows thru me with great Joy knowing that my brothers of Franklin Lodge our bring something new and good to the Craft. I believe the work of the Lodge has been so uplifting and inspiring not only to me but everyone around us. So my message is very simple: I never get disappointed with the results of the work I have not done. Keep moving forward with your lives, your family and Brothers and all will be good for you. This is an inside job Brothers. And when it's done through the teachings of the craft everyone will benefit.

I just want to thank you all for the hard work we are doing in and outside of the lodge. There is much more work to do before we take a break this summer; 2nd degree is coming up soon with 5 EA's waiting to take that next step in Freemasonry

Thank you Bobby Caron
