The Worshipful Master's message

Brethren,

There comes a time when life when we all have to shift gears for the good of your Lodge, family and friends. I have come to that level . I started this journey with a great deal of aggressive enthusiasm ,The only difference now is the addition of gratitude I now have for our members and the craft. As we go into the new year I think about the new members, and the new candidates, the fresh look of our building and all the tools we have to move into the future.

We must invest in the minds of all our members, focus on the good love the people who treat us right, pray for the ones that don't.

Life is too short to be anything but happy.

Thanks you all for everything you do.

Bob

Secretary's message

There are still several members who have not paid their 2024 dues. Several reminders have been sent. Unfortunately, dues cards for the coming year will not be issued to these members until their 2024 obligation is fulfilled. Please, let's get this done.

Despite repeated requests to come current with their membership obligation, a smaller number of members are at the two year mark in dues delinquency. These members risk suspension for non payment of dues. This matter will be discussed in Lodge.

On another note, please keep in thoughts the family of our recently departed Brother John Grossomanides.
