## The Worshipful Master's message

Brethren,

Thank you for all the hard work put into our recent Master Masons' degree on September 24 . It was a remarkable night for the Lodge and all of you should be very proud as am I.

As time is coming to the end of my stay to the east , I just want every Brother to know that i wish that I had more time as I very much enjoy being your Master. However, the spirit of succession which is the design of our Craft works very well. With that being said the work is never done. I plan on working just as hard as ever helping the new master with his wishes and designs on the Trestleboard, together with some other projects.

One seed I am planting is to bring as much Masonic Education to Franklin. This is reason for our multi purpose business center downstairs. I will keep you all posted in this plan. Thank you for all you do!

WM Bobby Caron

*Congratulations to our newest Master Masons*

### **Secretary's message**

On September 24, I attended a mandatory meeting of all Lodge Secretaries called by our Grand Master Andre Faria. He opened the meeting by announcing Decision 104 which was to be released the next day. This decision requires every Lodge in the jurisdiction to use our data system Grandview as the repository for all information on members, candidates, applicants and inquiries. It must also document each change of status as it happens including a time stamp and notation of progress to membership, that will be monitored by Grand Lodge. All Masons will have some access to Grandview to, at a minimum, be able to monitor their membership status. The onus for this will include myself, but also every other officer and member who work with applicants and candidates.

### **Are you a veteran?**

The Lodge maintains a data base of all who have served this country in uniform. The list is likely incomplete. Please notify the Secretary or Ray Geer to make certain your name, branch, rank and service years are included in our records

### **DATES TO REMEMBER**
